

## Water Rationing

**With the recent heavy rains it may seem that the drought is over. But the latest word from the governor's office in Sacramento is that California is still officially in drought status. To this end Manor Association has requested that our landscape contractor prepare water conservation plans to respond to possible water rationing by our local water district.**

## Vehicle Theft Alert

**Be advised that a car was stolen from the Pacific Point car lot last month. Fortunately, the car was recovered. Please remember to lock your and not to leave personal effects visible. Also, report suspicious activity to the Police Dept.**

## Friendly Reminders

**COMPOSTING IN COMMON AREAS**– Please do not compost in Common Area's.

**TENANT OCCUPIED UNITS** - If you are an Owner renting your unit, please ensure your tenants are acquainted with Homeowner Rules and Regulations.

**UPDATED PARKING RULES AND REGULATIONS** - Please familiarize yourself with the updated parking rules sent out with the November mailing.

**SPARE-THE-AIR** - For more information on wintertime Spare-The-Air days, check the air quality district's website, [www.baaqmd.gov](http://www.baaqmd.gov) or call 877-466-2876. Residents may also sign up to receive automatic notification of no-burn days, by email or recorded telephone messages. The HOA is not responsible for Owner violation.
