## COMCAST REP AT HOA MEETING

The Board has arranged to have a Comcast representative attend the March 16th Board Meeting. Homeowners are encouraged to attend the meeting and ask questions regarding billing, service upgrades, etc.

## New Restrictions... No open-flame BBQ units

For those of you who like to barbeque outdoors we have recently learned that the California Fire Code was recently amended to prohibit charcoal or other open flame devices on balconies or within 10 feet of a structure. Standard size propane barbeques are okay.

## BOARD VACANCY

Our Homeowners Board is now down to three Directors. We now barely have a quorum. With any one member absent a scheduled HOA meeting would have to be canceled and rescheduled. If anyone wishes to contribute to the going's on at PacificPoint, your efforts will be greatly appreciated. It is a rewarding and much needed volunteer activity. Currently the Board has two open positions... Secretary and Director.
